

2007 & 2008 GSAC Soccer Schedule Criteria

Athletic Directors' Criteria:

1. Two-year roll over schedule.
2. Not more than two home or away games in a row.
3. Home & away balance in the schedule.
4. Strive for balance on weekend and midweek games.
5. Extreme distance institutions do not have to travel to extreme distance institutions two consecutive games. (San Diego / Fresno & Santa Barbara)
6. If possible the extreme distance institutions will play each other on a weekend.
7. Attempt in single round schedules to have the extreme distance teams to travel to the other extreme teams once.

Coaches' Criteria:

1. Tuesday / Saturday, Wednesday / Saturday rotation
 - If coaches & athletic directors of the schools involved agree, games can be shifted into a doubleheader on either Tuesday or Wednesday.
2. Do away with Monday and Thursday games. Use byes and extend the season one weekend earlier.
 - Meets these conditions.
 - Using this kind of schedule it is difficult to rotate opponents after 2 years. The best way would probably be to play the schedule in reverse order.
