I have been meaning to send out a brief update on an exciting and anticipated development in my life, which many of you have been a part of. As of about 2 weeks ago, I was hired as the new part-time Pastor of Youth and Young Adults at Trinity Church of the Nazarene in Monterey Park, which is next to East Los Angeles. The congregation has Cantonese, Mandarin, and English services, and has over 100 members. In the meantime, I have moved back to Azusa with some great friends and I am also working part-time with an office and commercial cleaning company until I am able to find something more dependable and with better pay. Next year, I am considering going back to school to get a Masters of Divinity at APU.

This is a long-anticipated goal that I have been aiming at for years now. I am very excited and thankful for this opportunity. I mainly wanted to let you know because of the involvement, support, and prayers that many of have had in my life. I also desire your continued prayers as I believe that I need continued support and encouragement as I move into a new season of leadership and investing in lives.

God bless you!
