Reflection Prompts for Week 3:

Friday’s reading and rereading

M. King ‘Letter from Birmingham Jail’

• Briefly describe what King refers to as “the four basic steps” of a non-violent campaign
• What are some of King’s criteria for distinguishing between just and unjust laws?
• After doing some fact-gathering regarding the circumstances and legal proceedings related to the ‘Jena Six’, what would applying Dr. King’s conception of a just response, along with his criteria of just laws, suggest that one do in this case?
